

# Pupil Premium Reviewer Training NCTL Accreditation

**The Teaching Schools Council Pupil Premium Reviewer Guide has been updated and written in partnership with DfE, NCTL, EEF and the West Midlands Pupil Premium Reviewer Training Centre, based at Painsley Teaching School in Staffordshire.**

Building on the success of the NCTL pilot, which has now trained over 70 NLEs in carrying out effective pupil premium reviews in the region, we are pleased to announce that applications are now being welcomed for this one-day programme.

The training will equip reviewers to carry out reviews, share the latest guidance and best practice from the DfE, and will lead to NCTL Pupil Premium Reviewer Accreditation. This will enable participants to carry out accredited reviews, using a set of tools provided. Once trained, reviewers may charge schools for completing reviews.

This training was initially targeted at NLEs and LLEs, although SLEs and others who may be deployed on a S2S commission, can also attend.

## What will it achieve?

On completion of the course, participants will have...

- an understanding of the updated TSC 6-step framework for a review
- explored barriers to reviews;
- looked at effective practice and processes;
- access to the online PPR Resource Centre;
- gained the status of NCTL Accredited Reviewer to complete PP Reviews
